This food is from England.

My grandma and I make this every holiday and bond together.

Recipe:

Heat oven to 350 degrees

Butter 3 8 inch pans

Combine all cake ingredients in mixer to combine and whisk on low speed until combined. Do not over mix.

Divide the mixture between 3 cake tins. Bake for 25-30 minutes until golden brown. Cool on a rack.

Layer cake, jam, whipped cream and repeat with last cake on top. Dust with powdered sugar.

Enjoy!
